

CORPORATE HEALTHCARE PROVIDER

THE BEGINNING

Established in 1992 as Suraksha Diagnostic & Eye Clinic Pvt. Ltd., we were the first diagnostic centre in Kolkata to provide all pathology and radiology services under one roof.

In 1995, we launched our Siliguri centre and became the largest facility in North Bengal, serving patients from neighbouring states and countries as well.

Leaders in East India

We have been serving doctors and patients for over 30 years.

We have grown into Eastern India's largest chain of diagnostic centres and are among the top 5 in the country.

PATHOLOGY SERVICES

- Microbiology & Serology
- Real Time PCR
- Molecular Pathology
- Histo & Cytopathology with IHC
- IFA
- ELISA
- DNA Sequencer based studies
- Haematology with Flow Cytometry
- Biochemistry
- Cytogenetics
- Clinical Pathology
- Immunohistochemistry
- Next Generation Sequencing (NGS)
- Fluorescence In-situ Hybridisation (FISH)
- Liquid chromatography-tandem mass spectrometry (LC-MS/MS)

Aptio Automation by Siemens
The longest artificial-intelligence enabled robotic track
in India, in our central lab in New Town, Kolkata.

NON-PATHOLOGY SERVICES

IMAGING

- Super conductive MRI
- CT scan
- 4D/5D USG
- X-ray
- DEXA scan
- Mammography
- OPG

GASTRO ENTEROLOGY

- Upper GI Endoscopy
- Lower GI Endoscopy
- Flexible Sigmoidoscopy
- Proctosigmoidoscopy
- Colonoscopy
- Helicobacter pylori infection detection

CARDIOLOGY

- Electrocardiogram
- Echocardiogram
- Stress Test (TMT)
- Holter Monitoring
- Colour Doppler
- Peripheral Doppler
- PFT
- Fetal Echocardiography

NEUROLOGY

- EEG & Brain Map
- EMG
- NCV

CENTRAL REFERENCE LAB

- Spread over 40,000 square feet
- More than 200 state-of-the-art equipment
- More than 5000 tests can be conducted
- Capacity to handle over 30,000 samples a day
- First fully automated AI-enabled robotic lab in Eastern India
- Largest robotic track in the country
- Eastern India's only CAP-accredited lab

The College of American Pathologists (CAP) is the leading organisation of board-certified pathologists, serving patients, pathologists, and the public by fostering and advocating excellence in the practice of pathology and laboratory medicine worldwide. CAP is an advocate for high-quality and cost-effective medical care. Their standards have been called "the toughest and most exacting in the medical business."

Our reports are accepted globally.

TECHNOLOGICAL ADVANCEMENTS

1. Our central lab in Kolkata currently houses the largest AI-enabled robotic track in the country. This is the Aptio Automation machine by Siemens which can conduct over 1000 pathological tests.
2. All our centres are equipped with machines from Siemens, Phillips, GE, Schiller, Beckman Coulter, Roche Diagnostic, Biorad D10, Variant Turbo and Biomerieux, to name a few.
3. The technology is backed by high caliber diagnosticians: Radiologists, Bio-chemists, Pathologists, Microbiologists and highly skilled lab technicians.
4. Our diagnostic services range from Radiology to Pathology, Histopathology and Molecular Biology.

The Art of Diagnostics

RESEARCH & DEVELOPMENT

A separate research division regularly publishes papers in national and international medical journals for the progress of diagnostic science.

Research Partner: Cluegenix, a San Francisco based biotech company

ACCREDITATIONS

National Accreditation Board for Hospitals and Healthcare Providers

National Accreditation Board for Testing & Calibration Laboratories

Suraksha is the only CAP-accredited diagnostic chain in Eastern India.

Clinical and Laboratory Standards Institute

CLINICAL TRIALS

Suraksha has participated in clinical trials in partnership with:

WHY SURAKSHA?

Home Collection of samples

This service is available to patients residing within 30km of any of our centres.

SMS Alerts
