### **Information Other than the Financial Statements and Auditors' Report Thereon**

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Responsibilities of Management and Those Charged with Governance for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, change in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management and Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Company's Board of Directors is also responsible for overseeing the company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material

misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal financial control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **ANNEXURE – “B” TO THE INDEPENDENT AUDITORS’ REPORT**

Referred to in paragraph 2(f) under the heading “Report on Other Legal and Regulatory Requirements” of our report of even date in respect of internal financial control over financial reporting under paragraph (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 of SURAKSHA RADIOLOGY PRIVATE LIMITED for the year ended 31<sup>st</sup> March, 2024, we report that:

---

#### **Report on Internal Financial Control**

We have audited the internal financial controls over financial reporting of SURAKSHA RADIOLOGY PRIVATE LIMITED (“the Company”) as of 31<sup>st</sup> March, 2024 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

#### **Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls with reference to Financial Statements based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to Financial Statements, Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Financial Statements included obtaining an understanding of internal financial controls with reference to Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to Financial Statements-

#### **Meaning of Internal Financial Controls over Financial Reporting**

A Company's internal financial control with reference to Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the Financial Statements.

#### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Financial Statements to future periods are subject to the risk that the internal financial control with reference to Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls with reference to Financial Statements and such internal financial controls with reference to Financial Statements were operating effectively as at 31<sup>st</sup> March, 2024 based on the criteria for internal control with reference to Financial Statements established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by ICAI.

## SURAKSHA RADIOLOGY PRIVATE LIMITED

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2024

#### 1. SIGNIFICANT ACCOUNTING POLICIES:

##### 1.1 **Basis of Compliance:**

The Financial Statements as at end of the year ended 31<sup>st</sup> March, 2024 have been prepared in accordance with Indian Accounting Standards (Ind-AS) notified under Section 133 of the Companies Act, 2013 read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and as amended.

##### 1.2 **Basis of Preparation and Presentation:**

The Financial Statements have been prepared under the historical cost convention using the accrual method of accounting basis, except for certain financial instruments that are measured at fair values at the end of each reporting period.

All the Assets and Liabilities have been classified as Current and Non Current as per the Company's normal operating cycle and other criteria set out in Schedule III to the Companies Act, 2013. Based on the nature of activities, the Company has ascertained its operating cycle as 12 months for the purpose of Current and Non Current classification of Assets and Liabilities.

##### 1.3 **Use of Accounting Estimates, Assumptions and Judgments:**

The preparation of the Financial Statements requires management to make estimates, assumptions and judgments that affect the reported amounts of assets and liabilities and disclosures as at the date of the Financial Statements and the results of operations during the reporting year end. Although these estimates are based upon historical experience and the management's best knowledge of current events and actions, actual results could differ from these estimates considering different assumptions and conditions.

##### 1.4 **Financial instruments**

###### **(A) Investments and Other Financial Assets:**

###### **(i) Classification:**

The Company classifies its Financial Assets in the following measurement categories:

- those to be measured subsequently at fair value (either through OCI or through profit / loss).
- those to be measured at amortized cost.

The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows. For assets measured at fair value, gains and losses will either be recorded in profit or loss or OCI. For investments in equity instruments, this will depend on whether the Company has made an

**Director**

irrevocable election at the time of initial recognition to account for the equity investment at fair value through OCI.

**(ii) Measurement:**

**(a) Equity Instrument:**

Long Term Investments were stated at cost under the 'Previous GAAP'. The Company subsequently measures all Equity Investments at Fair Value through Other Comprehensive Income (FVTOCI). Impairment losses (and reversal of impairment losses) on equity investments measured at FVTOCI are not reported separately from other changes in fair value.

**(b) Other Financial Assets:**

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortized cost.

**(B) Financial Liabilities:**

The Company's financial liabilities comprise borrowings, trade payables and other liabilities. These are initially measured at fairvalue, net of transaction costs, and are subsequently measured at amortized cost using the effective interest method.

**(i) Presentation:**

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for atleast 12 months after the reporting period.

Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period.

**1.5 Cash and Cash Equivalents:**

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and Cash Equivalents consist of Balances with Banks which are unrestricted for withdrawal and usage.

**1.6 Revenue Recognition:**

a) Revenue is recognized on accrual basis only when it can be reliably measured and it is reasonable to expect ultimate collection. The items of income and expenditure are recognised on accrual basis.

b) Interest Income is stated at gross and is recognized when the Company's right to receive income is established.

**SURAKSHA RADIOLOGY PVT. LTD.**

*Director*

**SURAKSHA RADIOLOGY PVT. LTD.**

**1.7 Income Tax:**

Income Tax Expense comprises Current Tax Expense and Deferred Tax Expense and the net change in the Deferred Tax Assets or Liability during the year. Current and Deferred Taxes are recognized in the Statement of Profit and Loss, except when they relate to items that are also recognised in Other Comprehensive Income or directly in equity, respectively.

Current tax is determined as the amount of tax payable in respect of taxable income for the year in accordance with the provisions of the Income-tax Act, 1961.

Deferred tax is provided and recognised on timing difference between taxable income and accounting income subject to prudential consideration.

Deferred tax assets on carry forward of losses are not recognised unless there is virtual certainty about availability of future taxable income to realize such assets.

**1.8 Provision, Contingent Liability and Contingent Assets:**

Provisions are recognised where reliable estimate can be made for probable outflow of resources to settle the present obligation as a result of past events and the same is reviewed at each Balance Sheet date.

Contingent Liabilities are disclosed in respect of possible obligations that arise from past events but their existence is confirmed by the occurrence or non-occurrence of one or more uncertain future event(s) not wholly within the control of the Company.

Contingent Assets are neither recognised nor disclosed in Financial Statements.

**1.9 Earning Per Share:**

The earnings in ascertaining the Company's EPS comprises the net profit after tax and includes the post tax effect of any extraordinary items. The number of shares used in computing Basic and Diluted EPS is weighted average number of shares outstanding during the year.
